Our Progressive Approach

Reimagining High School

- High school classes meet once a week
- Teacher assigns daily homework assignments
- College courses online or at a technical college
- TFC college classes meet on campus with a facilitator
- Tutors are available for high school/college courses
- An average of 3 courses per quarter over 4 years
- Begin college in 9th or 10th grade
- Graduate with up to 60 college credits and a high school diploma

Georgia Dual Enrollment

- Open to 11th-12th grade students
- Pays college tuition, books, and fees
- All private and public colleges in Georgia
- Covers fall, spring and summer semesters
- Applies to online and on-campus classes
- 30 credit lifetime maximum
- Does not affect eligibility for HOPE funds
- TandemEDU students begin college at 14
- TandemEDU students have held 2,500 seats in DE classes

Our College Partner

Toccoa Falls College

- Founded 1907
- Glorify God
- Develop servant leaders
- Accredited by SACs
- Credits transferable
- Quarterly online courses
- Allows DE for TandemEDU in 9th/10th grades

In Partnership Since 2016

College Accolades

Andrew Thorne
TFC VP, Distance Education

“Over the past several years, it has been a pleasure for myself and others at TFC to partner with TandemEDU. Throughout this time, TFC has seen **TandemEDU students demonstrate both college readiness and performance.**”

“These students model **ACADEMIC EXCELLENCE!**”

“It is no coincidence that these students are **consistently successful** at the college level as **TandemEDU relevantly prepares** its students for college courses.”

“TandemEDU students achieve a college **GPA HIGHER** than that of the average dual enrolled student.”
